

# City of Galveston Board Application

Below is a list of key items that are important to consider when applying to serve on a City Board, Commission or Committee:

## **Interviews Required for the Following**

It is suggested that you submit a cover letter of introduction and a resume with this application if you are applying for one of the following boards or committees: Planning Commission, Park Board of Trustees, or Wharves Board. The City Council will conduct interviews of candidates for positions on these boards.

## **Attendance**

In an effort to ensure that each person has the time to dedicate when applying to serve on a City Board, Commission or Committee; City Council adopted Ordinance 15-055 on July 23, 2015 that outlines the attendance requirements for those appointed to serve. While your request for an appointment to a board is on a voluntary basis, it is very important to adhere to the attendance guidelines so that the board, committee or commission you are appointed to is able to address all items on the agenda in a timely fashion. Not being able to have a quorum at the meetings does the citizens of Galveston an injustice if a board, committee or commission is not able to vote on important items due to all members not being present. The full version of Ordinance 15-055 is available online at [galvestontx.gov](http://galvestontx.gov) in the City Charter and Code Section 2-164 or any member of the City Secretary's staff can print it out at your request.

## **Consent to release Email Address and Phone to the Public**

There will be instances where individuals request to speak to member (s) of a board, committee or commission. It would be advantageous if the staff in the City Secretary's office could provide them with the contact information being requested. It is your right to either allow or disallow our office from sharing your email address or telephone number. Please complete and initial the consent below so that our staff knows whether your email and phone number can be given to the public.

City of Galveston

AFFIDAVIT OF RESIDENCY AND DOMICILE

Article XIV, Section 11, of The City Charter requires all appointees to City Boards to have resided and been domiciled in the City of Galveston for at least one year immediately preceding the appointment. Section 2-161 of The City Code requires all applicants to City boards, committees and commissions to be domiciled in the City at the time of appointment and during the appointee's tenure.

I acknowledge and understand the City of Galveston defines a "residence" as:

- 1) a fixed place of abode within possession of the defendant;
- 2) occupied or intended to be occupied consistently over a substantial period of time; and
- 3) which is permanent rather than temporary.

I acknowledge and understand that the City of Galveston defines "domicile" as one's "home and fixed place of habitation to which the person intends to return after any temporary absence."

I have resided and been domiciled in the City of Galveston for the one year immediately preceding the date of the application. I am presently domiciled in the City of Galveston, Texas, and if appointed, will remain domiciled in the City of Galveston during the tenure of my appointment.

I agree to abide by all applicable Federal and State laws and provisions of The City Charter and The City Code.

I swear or affirm under oath that have read and understand the above and that I meet all requirements, including residency and domicile requirements and that all information submitted in this application is true and correct.
